7/9/19

- Decreased public access to the riverfront and lack of public gatherings space.
- Elimination of Farmers & Crafters Market.
- A resulting City Parking Plan harmful to the accessibility, walkability and safety of our community.
- Increased cost of living for downtown residents, employees and visitors due to resulting paid parking system.

Say "YES" to support Development Plans for Durkee Street that actually benefit our community.

Please support our Downtown Community!

- Decreased public access to the riverfront and lack of public gatherings space.
- Elimination of Farmers & Crafters Market.
- A resulting City Parking Plan harmful to the accessibility, walkability and safety of our community.
- Increased cost of living for downtown residents, employees and visitors due to resulting paid parking system.

Say "YES" to support Development Plans for Durkee Street that actually benefit our community.
