

PERMIT FOR BURNING

Permit is hereby granted for the sole purpose of open burning, bonfires or a small cooking fire

located at: _____

on the following date: _____ Between the hours of _____ and _____.

The following provisions must be adhered to:

- A) The open burning must be continuously attended by a competent person or persons until such fire is extinguished.
- B) Such person or persons shall have a satisfactory water supply readily available and sufficient hose connected thereto or other fire extinguishing equipment readily available for use.
- C) Fires must be kept at safe levels to prevent their spreading.

If there are any deviations from this format, the Chief or his designee will have the right to revoke or suspend said permit.
